

MDT2 Service Parts

This is the list of service parts for the MDT2C12A-1A and MDT2C12A-1B ice maker dispensers.

The B series model began in late 2014. It has a number of electrical differences from the prior model.

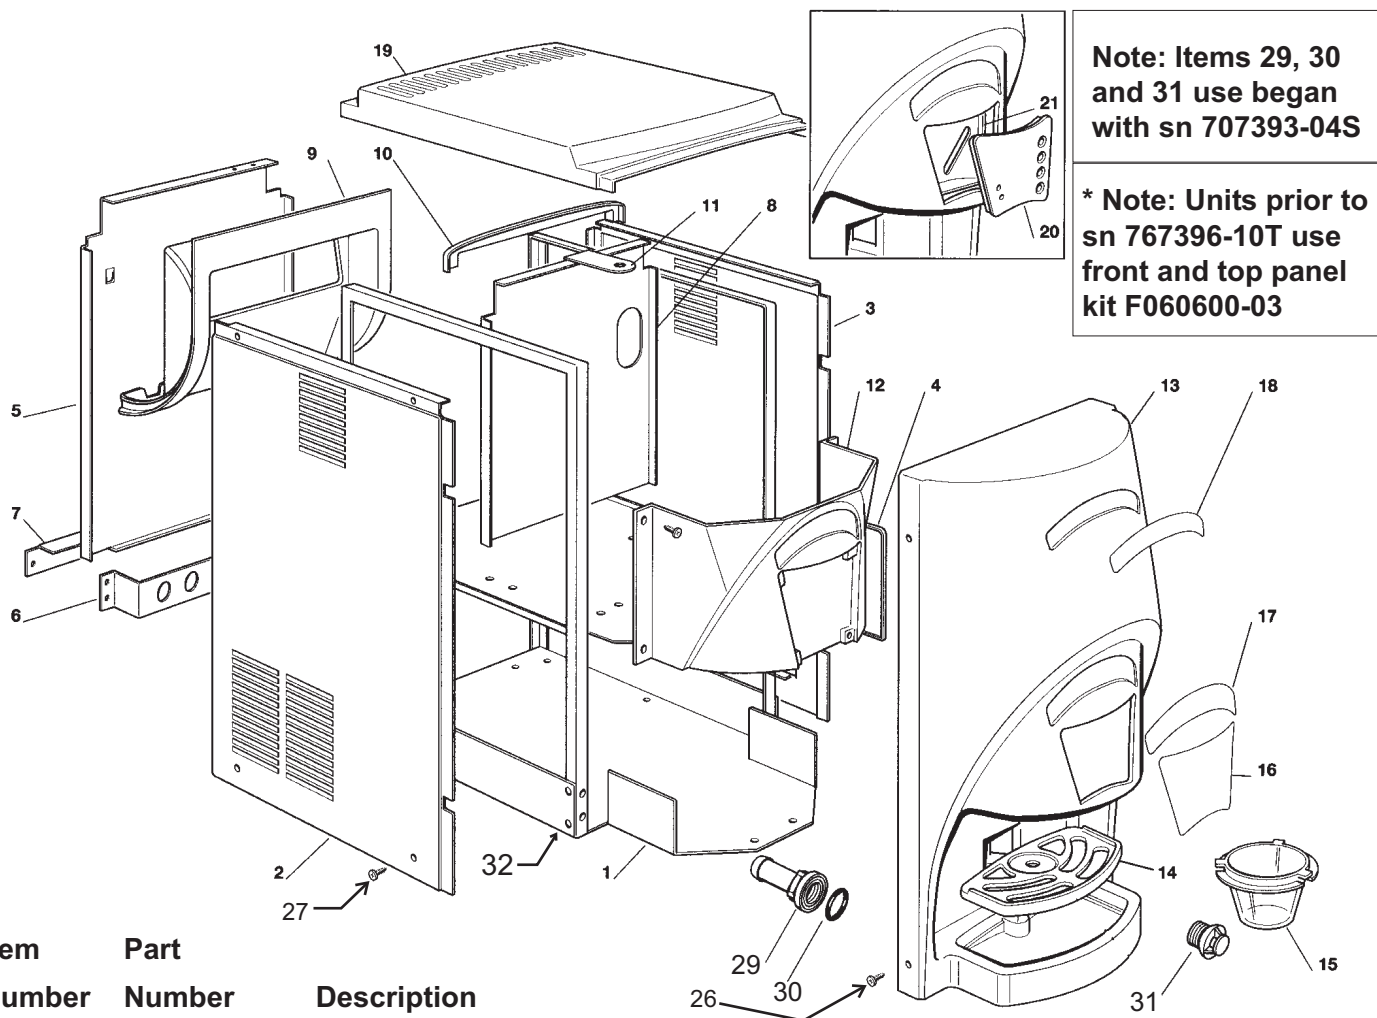

Always have the model and serial number available when looking for a part number as changes do occur and the change may reference the model and/or serial number.
